What is a  
Zoning  
Board??  
Why join??

Many communities use zoning to help them protect the aspects of life that they cherish. The intent of zoning is to balance individual property rights with the rights of the general public for a healthy, safe and orderly community. The primary roles of the zoning board are reviewing and deciding cases where a relaxation of the ordinance is sought, interpreting and administering the zoning code, and assisting City Council with recommendations on possible changes to the zoning code.

If interested, please complete the online application form, pick one up at the Administration Office in City Hall at 402 Division Street S., or call 507-685-2302.
